

HR Executive Institute 2026

We are excited to partner with the California Counties HR (CCHR) to offer the **2026 Human Resources (HR) Executive Institute**. This program is designed for current and emerging human resource directors from within HR and county departments, with a particular emphasis on succession planning and political acumen.

The goals are twofold:

1. Expand application of public service leadership principles.
2. Strengthen the California Counties HR network.

Through 50-hours of onsite and virtual instruction, participants dive deep into leadership concepts, facilitated by nationally recognized faculty and county experts. Upon successful completion, participants join a statewide network of over 1,500 CSAC credential holders.

The program includes a 4-day residency at the Sacramento Library and tailored virtual courses. The registration fee is \$5,000 for delivery, including a continental breakfast and lunch. Participants are responsible for their own travel and lodging costs. Recommended accommodation at roomblock rates are available. Space is limited.

April 15, 2026	Setting the Leadership Stage	Virtual	2:30 – 5 PM
May 4, 2026	Welcome Reception	On-site	6 – 8 PM
May 5, 2026	Public Service Leadership	Paul Danczyk	8:30 AM – 12 PM
